Antigua Teak roof blinds

Ideally suited for conservatories, Natural Weaves® blinds gently filter daylight into your room creating a natural ambience throughout the changing seasons

Montserrat Pecan ~ roll-up blind

Escape from life's stresses & strains

Antigua Teak

Natural Weaves® blinds can be custom made to satisfy any style and shape of window.

The roman style of woven wood blind has been especially designed for conservatory roofs and shaped windows.

For any other windows in your home, Natural Weaves® blinds are available in both roman and roll-up styles.

Capture the very essence
of the natural world

Bahama Beech ~ roman blind

Natural Weaves® is an exotic collection of woods and bamboos that filter the light into your room, creating a calm, soothing ambience that can be easily adjusted as the climate changes.

Our luxurious range of woods and bamboos has been specially selected from sustainable forests around the world.

A full range of braids and accessories are available so that you can create window blinds that are as individual as you are.
