PERFECT FIT LOUVOLITE®

Roller, pleated and venetian blinds for double glazed windows, doors and conservatories

Louvolute Perfect Fit® is the most attractive and innovative window blind available on the market today. The system is unique because the window blind fits neatly into a stylish frame, which moves together with the windows and doors when they are opened and closed giving you the perfect combination of shade and ventilation.

- A huge range of fabric colours and textures to match your interior design scheme
- No drilling or screwing into your window frames for a quick and clean installation
- Reduced gaps at the edge of the blinds increases your privacy
- Child safe because there are no loose cords or loops
- Leaves window sills clutter free
- Easily removable for cleaning

NO DRILLING

NO SCREWING

Perfect Fit™ is a recognised child safe product in accordance with BBSA regulations

PERFECT FIT LOUVOLITE®

For the ultimate in style, the award winning Perfect Fit™ blind is the only choice to make.

One of the unique features of the Perfect Fit™ frame is its outstanding thermal efficiency. The frame fits flush against your window to help reduce heat build up in summer and retain heat in winter, in turn keeping your cooling and heating bills to a minimum!

To further maximise the superb insulating qualities of the Perfect Fit™ system, you can choose to have one of our energy efficient fabrics and save yourself up to 15% on your fuel bills by reducing the heat loss through winter.

Potential home energy savings using Louvolite fabrics

The window on the left has energy saving window blinds installed, providing insulation and reducing energy wastage.
